Welcome to an extraordinary journey at **Ishkama Global Change (IGC)** 2024 Annual Global Business Convention, where innovation and inspiration converge under the theme **"Harmonizing Perspectives: Bridging Worlds, Inspiring Change."**

This Global gathering is an exclusive platform to elevate your work, share insights, and connect with visionaries worldwide. Get ready to make a lasting impact as we collectively strive to shape a brighter future. Your presence adds a unique melody to the symphony of ideas, and together, we'll create waves of positive change.

Let the transformative experience begin!

OUR AIM

- Provide a global platform for personal growth and positive impact.
- Cultivate a community that celebrates extraordinary individuals and their achievements.
- Enable members to publish articles, network with like-minded peers, and initiate community projects.
- Recognize and promote your hard work on our social media platforms.
- Organize special events to celebrate collective achievements and milestones.
- Foster a collaborative environment focused on personal growth, community impact, and the celebration of remarkable individuals.

OUR MISSION

- Supporting entrepreneurs worldwide by showcasing them on a global platform, enabling them to strive for their full potential and growth, irrespective of gender.
- Providing humanitarian services for holistic wellbeing of all individuals.
- Creating a global influence by fostering international peace, promoting mutual understanding, and championing equality for everyone.

OUR VISION

- Fostering a worldwide community that offers chances for individuals to connect, invest time and effort, nurture relationships, and strengthen common objectives and ambitions for the benefit of all.
- Promoting interaction with diverse groups, local and global leaders, and championing collaborations among businesses and organisations.
- Empowering people from diverse backgrounds, advocating for inclusivity and equality.
- Supporting the broader community in addressing pressing global concerns like Environmental Sustainability, Hunger Alleviation, Vision Care, Special and Inclusive Education, and Disease Prevention.
